- ENERGY STAR® Qualified

IS IT A MONITOR? OR SOMETHING BETTER?

The E81 monitor redefined - a slimmer profile, Super LED Resolution and a vast array of other innovations.

SUPER LED

Tired of dark images or dull colors? LG's LED technology provides a slim profile and delivers amazing brightness, clarity and color detail, as well as greater energy efficiency compared to conventional Monitors.

SUPER slim

You'll love the stunning picture while it's on and marvel at its appearance when it's off. It's a sleek, elegant design that will appeal to even the most refined sense of style.

SUPER+ Resolution

Experiencing picture distortion, address it with Supper-Resolution. This revolutionary technology decreases image blur and image degradation.
